I understand and acknowledge that by entering the premises and employing any of the services offered by Holistic Harmony:

1. I assume all known, latent or anticipated risks;
2. My participation at Holistic Harmony is purely voluntarily and no warranties or representations were made to me by its management to induce me to participate;
3. I shall assume full responsibility for myself and any of my guests and/or invitees;
4. I understand that Holistic Harmony does not evaluate or diagnose my health and I have received medical clearance prior to engaging in Halotherapy activities;
5. I have been advised of the following possible side effects: Dry or itchy throat, nasal drip, and increased coughing at the beginning. This is a natural part of the cleaning process of the respiratory system, during which the pollution, accumulated over time, and now loosened up by the salt, is expelled from even the deepest regions of the lungs. Such side effects should cease with the removal of pollution and pathogens. Skin irritation and dermal sensitivity may occur. In such cases, decrease the frequency of sessions.
6. Holistic Harmony has neither applied for or received approval by the Food and Drug Administration (FDA) or any other consumer protection group;
7. The use of the rooms at Holistic Harmony has not been evaluated by the FDA or any other agency;
8. The use of Halotherapy is not intended to treat, cure or prevent any illness or condition. All medical conditions should be treated by a physician competent in treating that particular condition. Holistic Harmony assumes no responsibility for customers choosing to treat themselves;
9. All products and services provided by Holistic Harmony, including written information, labels, brochures and flyers, as well as information provided orally or in any other medium of communication, have not been evaluated by the FDA and are not intended to diagnose, treat, cure or prevent any disease. For all your health concerns, please consult an appropriately licensed healthcare practitioner.

The use of Halotherapy is not intended to substitute for medical care or treatment. Do not stop your medication without first consulting with your doctor or medical professional. Halotherapy is NOT a substitute for any conventional medication. The information contained herein is not intended to cover all possible uses, directions, precautions, warnings, drug interactions, allergic reactions, or adverse effects.
